For anyone's curiosity

Traditionally December 31st is regarded as the end of year. Many activities are considered as they will have a new beginning from January 1st. New Calendars are purchased, church Envelopes distributed, Income Tax receipts are sorted, New books are started. Also in personal life are considered charts and adjustments. Here are some endeavours that I came across:

Vladimir Mudri was ordained by Bishop Gabriel Bukatko and became priest on August 27, 1972. Arrived to Canada on March 21, 1974. After two weeks at Cudworth with Fr. Lubomyr Ramach, was invited to help with services in Cathedral during Holy Week and 1974 Easter. On April 20, 1974 by the Dean Fr. Jerome Lashkewich he was installed as Pastor of Preceville and District. Already September 4, 1975 he was nominated Pastor at Sutherland & Parochial Vicar of St. George's Cathedral. He lived at old St. George's Residence with Fr. John Olynyk as Pastor, Fr. Wolodymyr Iwaszko as the first Assistant Priest, Fr. Peter Kryworuchka as the second and Fr. Vladimir Mudri as the third Assistant Priest at the Cathedral. With regular services at Cathedral Fr. Mudri started on September 29, 1975 and remained assigned to the Cathedral until October 15, 1984. In this period of time from 1975 to 1984 were interruptions in service at Cathedral when Fr. Mudri studying in Rome 1979-1982 (back in Saskatoon May to October of each year), as well when helping in Canora from May to July 1984. Fr. Mudri left Saskatoon as of October 15, 1984 when he assumed responsibilities as Pastor of All Saints Parish at North Battleford & District. On October 15, 1992 he is back in Saskatoon as Rector of St. George's Cathedral and here until present time.

As priest Fr. Mudri celebrated until December 31, 2009:

298 Baptisms with Chrismations; 246 First Confessions & Solemn Communions; 97 Weddings; 569 Funerals; a total of 14,040 Divine Liturgy from which 982 in Yugoslavia; 554 at Preceville; 995 at Rome; 2,878 at North Battleford; 95 at Canora & other places in Canada and at Cathedral 8,536;
